**INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents

Sir:

This is an Information Disclosure Statement submitted under 37 C.F.R. § 1.97 within the time specified under 37 C.F.R. § 1.97(b).

Enclosed is a copy of a European Patent Office Communication citing seven (7) patent documents. Cite Nos. AA-EE are U.S. patent documents so no copies of those documents need to be attached. Great Britain 718,332 was previously submitted in the Information Disclosure Statement dated April 2, 2004. A copy of the other Great Britain document (GG) is attached. Since the references are in English, no further statement of relevancy is required.

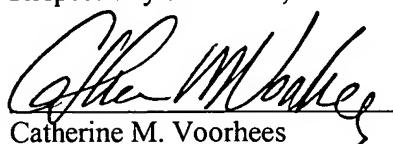

A Form PTO SB/08A identifying all of the references cited in the European Patent Office Communication is also attached.

Pursuant to 37 C.F.R. § 1.97(e), on information and belief, and based on the date of the enclosed European Patent Office Action, the references contained in this Information Disclosure Statement were first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Statement.

The present Information Disclosure Statement is being filed before the mailing date of the first Office Action on the merits, and therefore no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

In view of the above, no further translation or statement of relevance is required, and as all requirements of 37 C.F.R. § 1.97 and all official guide lines pertaining to Information Disclosure Statements have been complied with, and it is therefore respectfully requested that the Examiner consider the documents and make them of record.

Respectfully submitted,

Catherine M. Voorhees
